

Word from the Brothers: **Joy**

Here's the problem with pursuing happiness: it's based on a false premise, namely that there's something we have to do, something we need to have, in order to be happy. In truth, the joy Jesus shares with us doesn't work like that. It's a joy with no cause, with no prerequisite, and it's already here. Br. Nicholas Bartoli
Society of Saint John the Evangelist
